

PRO FLOODLIGHT 300W TWIN ON STAND

The Pro flood standard LED fitting has attractive 120° light dispersal making it the most reliable construction lamp. Carbonate glass reflection means the light beam does not dazzle. With the extremely lightweight stand this TWIN-light is quickly erected and flexible in use.

SPECIFICATIONS

- Light output: >27,000 lumen from light fitting
- 65% savings on energy consumption compared to 400W HPI lamps
